Taking the Innovating Phuket Condominium Market to a Higher Level of Affordable Luxury

Set to be developed just a few hundred meters from the newly opened Robinsons Chalong Shopping Center, the Chalong Executive Suites & Spa Resort exemplifies convenience and urban connectivity.

The boutique condominium project will feature 48 thoughtfully designed one-bedroom and two-bedroom

apartments, each offering spacious layouts, full kitchens, and versatile amenities. Catering to both comfort and functionality, the ambiance adds distinctly to the health wellness and lifestyle theme.

A strong draw for prospective owners and tenants is the Resort's strategic proximity to the renowned Soi Tae Yed—the heart of Phuket's Fitness, Health, Wellness, and Champion Muay Thai training scene.

This lively avenue, popular with both local and international visitors, not only ensures an active lifestyle for residents but also promises a steady stream of high-end rental tenant's interest.

Pleasantly Surprising Views and Superb Facilities

Whether you are looking for a peaceful home or a rewarding investment, the Chalong Executive Suites & Spa doesn't disappoint. Apartments located on the 4th through 6th floors boast panoramic vistas of Phuket City and the sparkling waters of Chalong Bay in a distance. These lovely views serve as the perfect backdrop for relaxation or entertaining guests.

Central to the project's concept is its dedication to health, wellness, and fitness.

The resort will feature an exclusive spa facility, meticulously designed to offer a Sanctuary of rejuvenation and tranquillity. While intentionally modest in scale, the facilities promise the highest level of professionalism, helping both residents and guests achieve a harmonious and healthy lifestyle.

Lifestyle and Investment
